Re: U.S. Patent Application
Serial No.: 09/532922
C&B Ref. No.: 4015-1614
Filed: March 22, 2000
Multiple Antenna Impedance Optimization

Dear Sir:

On October 11, 2002, we filed an Office Action response in the above-identified matter. Included with that Office Action response was check #7574 in the amount of \$336 to cover new claims 39-52. There were a total of 14 new claims added, only one of which was an independent claim. Therefore, the check for \$336 covered the total fee for adding new claims. This check cleared the bank in October 2002.

On November 1, 2002, our deposit account was drafted for \$84. However, no fees were due to the Patent Office. Therefore, we would appreciate if you would correct the error by either depositing \$84 into our deposit account or by mailing us a check in that amount. Our deposit account number is 18-1167.

Sincerely,

David E. Bennett
